

MARITIME CENTER

Be a part of the Community that will preserve Scituate's rich maritime history

The Scituate Waterways Commission and a host of interested parties are asking for your support and donation to add furniture to the "Scituate Maritime Center," a multi-function community building. As the site develops we will add tables and benches around the site to increase access and use by the public. Planned public amenities for Center users include relaxing on the deck of the building, meeting space for sailing classes, historical displays and other community activities both within and around the Center.

All contributors will be recognized on the Waterways Commission website and will have their name on a plaque permanently affixed to the furniture.

Indoor chair

*If you're inspired and
ready to get involved,
here's what you can do right now...*

Outdoor chair

Please take a moment to complete the form below and return it with your check. We are attempting to purchase twelve benches and tables along with a number of chairs for use inside and outside the building before its dedication.

Help make this historic dream a reality!

Your support is very much appreciated! Please fill out the form below.
