

Scituate Maritime Center Food and Alcohol Policy for Renters

Please note that there are no kitchen facilities at the SMC. You are not required to use a catering or bartending service unless you are servicing alcohol - in which case you MUST use an approved caterer or bartending service (see below for our list or recommended businesses). If you don't use any services, please be aware that it is your responsibility to clean the function room and the deck, including removal of all trash and sweeping of the floor. The bathrooms are cleaned on a regular basis and will only be your responsibility if they are dirty beyond regular use.

If you choose to have a catering or bartending service, please be aware that they must hold sufficient liability insurance, have the proper licensing and certification, and have submitted a \$200 security deposit to the SMC. The list below includes the companies that have fulfilled these requirements already. If you wish to use a different company, they must contact us in order to file the appropriate paperwork in a timely manner.
